GET TO MIAMI BEACH AND DOWNTOWN MIAMI FAST WITH MIAMI-DADE TRANSIT

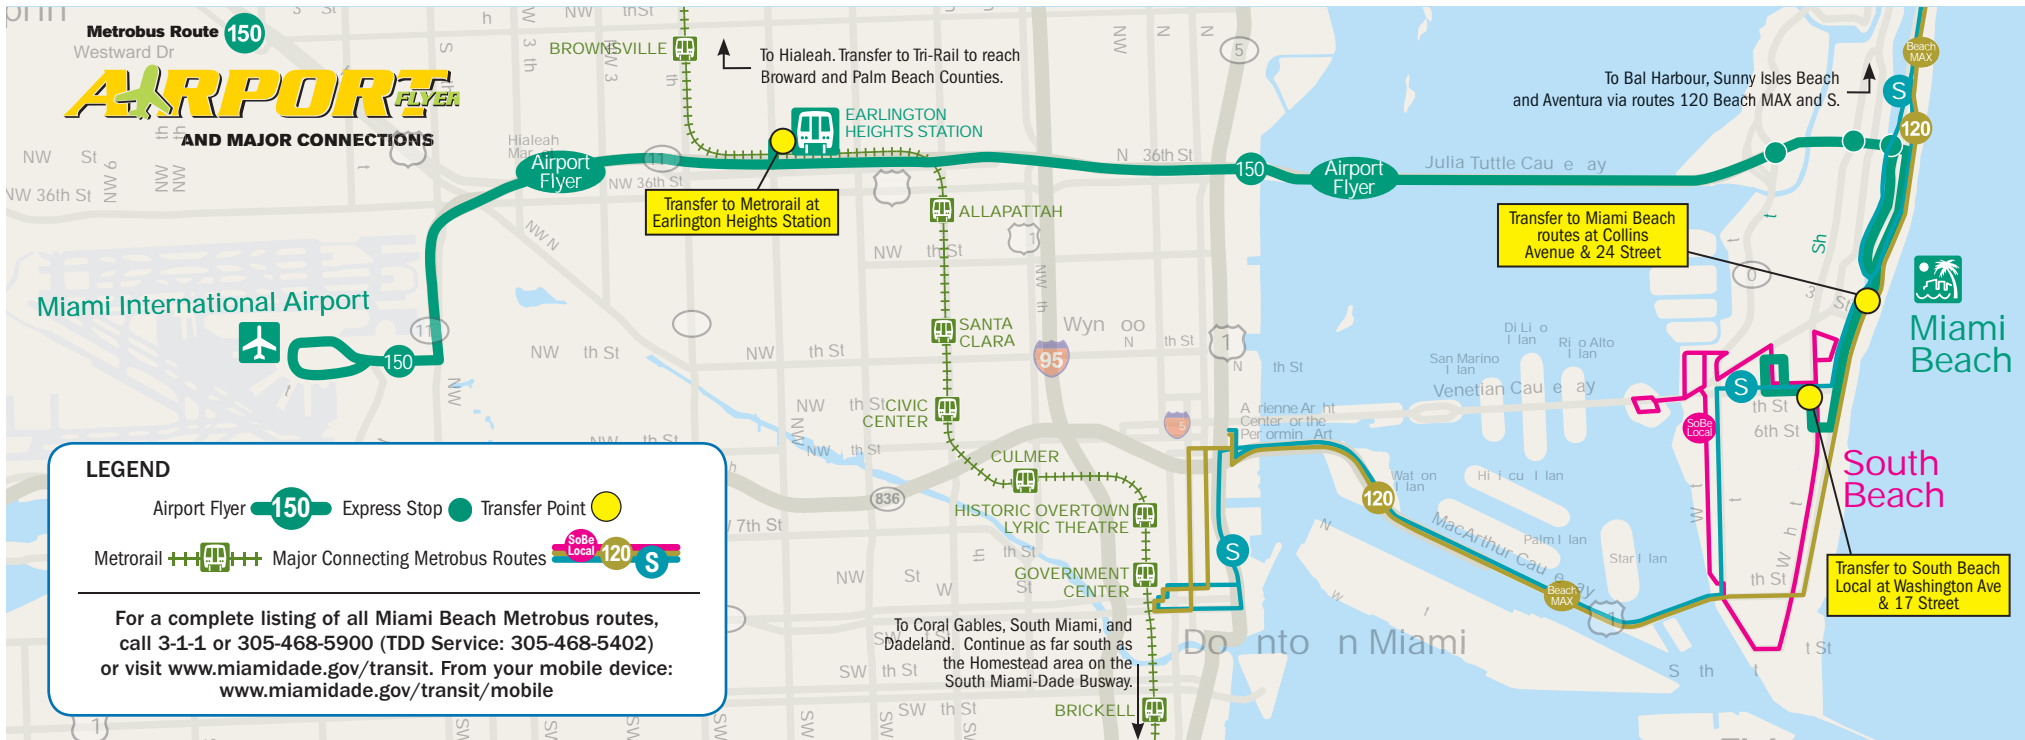

Looking for a fast, inexpensive way to get to Miami Beach and downtown Miami? Miami-Dade Transit's Airport Flyer gets you to the beach in less than half an hour for just \$2.35!

The Airport Flyer runs every 30 minutes from 6 a.m. to 11 p.m. daily and is tailor-made for travelers like you. Buses are equipped with luggage racks and comfortable seating with plenty of legroom so you can ride in style. See the Airport Flyer map for destinations and connecting bus routes. (Please note connecting bus routes do not have luggage racks.)

Heading downtown? No problem. Before getting to Miami Beach, the Airport Flyer makes one stop at Metrorail's Earlington Heights station, where you can catch a train to downtown Miami. Once there, board the free Metromover to get just about anywhere downtown. Metrorail also connects you to many more destinations around Miami-Dade County.

For more information, call 3-1-1 or 305-468-5900, or log onto www.miamidade.gov/transit/mobile/ on your mobile device for access to more transit maps and schedules. Or visit www.google.com/transit for automated transit trip planning.
